

CENTRAL COAST AMATEUR RADIO CLUB INC.

CONDITIONS GOVERNING NON-COMMERCIAL EXHIBITORS
at the
CENTRAL COAST AMATEUR RADIO CLUB FIELD DAY
25th February, 2018

Exhibitors must give careful consideration to the following conditions which shall apply to and be conditions for the allocation of display space and made between the Central Coast Amateur Radio Club Inc. and each and every Exhibitor.

Definitions:

“**CLUB**” means the Central Coast Amateur Radio Club Inc.

“**MANAGEMENT COMMITTEE**” means the Central Coast Management Committee of the Central Coast Amateur Radio Club Field Day

“**DISPLAY**” means the displays and/or sales stands and exhibits at the Central Coast Amateur Radio Club Field Day

“**TRADER**” means any person or persons or organisation whose application for display space has been received by the nominated date and accepted by the management committee.

“**TRADING**” includes displaying, demonstrating, taking orders, selling or giving away items.

1. Exhibitors shall be responsible for insuring their stands and exhibits against all risks. The Club **cannot accept any** liability whatsoever for loss or damage by fire, theft, accident or any other cause.
2. Allocation of display space is the decision of the Management Committee alone. Space and location will be provided where possible to meet the needs of the Exhibitor; however, the Management Committee reserves the right to make the final decision regarding the allocated display size and location. **Exhibitors should commence setting up from 6.00am Sunday and be ready to trade at 8.30am.**
3. **All vehicles must be removed from under the sheltered area before 8.30am Sunday and will not be permitted back into the display area until after 3.30pm.**
Vehicles should not remain under the sheltered area as part of a display unless approved by the Management Committee.
4. Two complimentary passes will be provided in advance to Exhibitors and additional exhibitor passes must be purchased before the event. Exhibitors and their staff will require these passes to both gain admittance to the event and to be permitted in the display area before the 8.30am opening.
Persons not able to produce their pass at the gate will be required to pay the full admission fee and will not be permitted entry into the display area until after 8.30am.
5. Exhibitors should respect the fact that the Field Day is being conducted by an amateur radio club for an amateur fraternity. Any non-amateur transmitting equipment should be offered with modification kits or details to enable its use in nth amateur service.
6. The sale of transmitting equipment to unlicensed persons is not permitted at the field day.
7. The Club has no objection to Exhibitors advertising that they will be in attendance at the Field Day. The Field Day Committee requests that the day be referred to as “**The Central Coast Amateur Radio Club Field Day at WYONG**”.
8. The Management Committee reserves the right to have displays switched off if interference or excessive disturbance is caused, particularly to the public address system, field day communications or field day events. Equipment which activates a loud audible alarm or the like, e.g. a car alarm, cannot be displayed.
9. The Club may, at its discretion, provide an advertising, announcing service via the public address system. The only announcer permitted will be the Club's announcer and the text must be legibly printed or, preferably, typed with double spacing. As a guide, announcements should not exceed 30 seconds per half hour, but this arrangement is flexible. The Management Committee reserves the right to refuse any announcement without explanation.
10. Exhibitors wishing to conduct auctions, raffles or other events must obtain written prior approval from the Field Day Management Committee. Any such auction, raffle or other event may only be conducted at a location and time determined by the Management Committee. Auctions, raffles or any other event must be conducted in compliance with any legislation with regard to licensing, etc.
11. Exhibitors wishing to display, sell or give away items which are not of an electrical or electronic nature must obtain prior written approval from the Management Committee.
12. Exhibitors advertising goods, whether for sale and/or on display at the Field Day or not, are reminded of their obligations under relevant laws to correctly describe all goods.
13. Exhibitors are required to comply with all relevant WHS requirements. All personnel working at the site must sign in and out on the sheets provided on the day.
14. Tea and coffee will be available from 8.30am to 3.30pm (separate from takeaway food bar) at no charge.
